Service has always been a special part of Marjorie Fink's life. When you meet here she could tell you stories and stories about many of the volunteer adventures she took her family on. On the fine day we surprised Marjorie we had the pleasure of meeting her daughter who talked first-hand about how the importance of volunteerism was instilled in them at a very early age. But Marjorie's volunteering didn't stop when the kids were all grown up. If anything it increased! Marjorie spends her time volunteering and collecting purses for the clients of UMOM New Day Centers. The purses, filled with toiletries, become a prized possession for the women in UMOM's shelters. To these women it is more than a purse but a vital part of their new life of independence and self sufficiency.

Marjorie's eyes light up when she talks about her work with UMOM. She is one Arizonan who is a making an amazing difference, one purse at a time. 3TV and CareMore are proud to recognize Marjorie with the Senior Star Award and \$1,000 for UMOM New Day Centers. If you know a senior volunteer going above and beyond nominate them for a Senior Star Award. [Learn more here.](#)

More about Marjorie from her nomination essay:

Marjorie Fink is an amazing volunteer. Not only is she an active member of the Paradise Valley United Methodist Church, but she is a regular volunteer at the Phoenix Zoo and UMOM New Day Centers. She is 80 years old – so her continued support of the organizations she cares about is even more inspiring! This year Marjorie spearheaded the annual purse drive for UMOM. Through her leadership we collected 1,275 purses for the women at our shelters and in our Next Step Housing communities for Easter and filled each purse with hygiene products. We love Marjorie and hope she receives this honor!
